★★★★★	A Must See! Birthright Thu, May 15 8:00 PM	HarryD	Mon, May 19 11:53 AM	Male	50-59	Local	Family Without Children
	Birthright is a wonderful play. It is fast-moving and filled with drama. All of the actors played their roles wonderfully and the surprise ending was worth waiting for. I would not hesitate to recommend this play and to see it again.						
★★★★★	Entertaining and personal at times Birthright Sun, May 11 6:00 PM	holidaylover	Thu, May 15 9:44 AM	Female	40-49	Local	Family With Children
	I believe this performance was very well written. The actors and actresses performed like they were on Broadway. I will inform some of my other friends who frequent shows like myself. They were outstanding and I am glad that I was a part of it. My 17 year old daughter enjoyed it also and you know how they can be.

★★★★☆	Play Birthright Thu, May 8 8:00 PM	GLSB230	Mon, May 12 9:12 PM	Female	50-59	Local	Individual
	I thought the play was very good although I didn't like the ending. It kind of left you hanging a little bit if you know what I mean. You really didn't know it was over. Plus once it started raining it never cleared up and that don't make sense either. Sometimes it rain but it do clear up. Otherwise it was a very good play with meaning. The younger sister really could act. She really acted out her character. Everyone was good. I enjoyed it if just for the night out.						
★★★★★	Exceptional Acting Birthright Fri, Apr 25 8:00 PM	benson27	Mon, Apr 28 3:37 PM	Female	40-49	Local	Group of Friends
	The play was well written and dicrected. Also, I would add all of the Actors were superb, however the actress S. Gunn was the best. Will be going again with another grop of friends.
